Under the laws established by the State of Louisiana regarding Fiscal Administration (R.S. 39:1351-1357), I am authorized to reorganize the Police Department of the Town of Simmesport as is necessary to return the political subdivision to financial stability.

As such, I am eliminating the position of appointed Police Chief effective immediately. This action is for an indefinite period. For these reasons, Chief Jamshad Fayyaz's employment with the Town of Simmesport is terminated immediately.

In the interim, Mayor Ted Turner, as the chief executive officer of the Town of Simmesport will assume all the duties and responsibilities of the position with full authority to delegate administrative tasks as allowed by law.
